

## Dear Campers and Friends of Lowell Basketball;

Summer is almost here and the 2009 Boys Basketball Camps are just around the corner! I am excited about another year of teaching basketball and watching our campers develop their skills.

I take great pride in offering a quality instructional basketball camp where our kids are learning in a structured, enthusiastic, and fun environment. I was fortunate to be involved in a quality youth and summer program as a young boy and know the impact of these programs on our kids and their development. I personally guarantee that your son will have a first-class experience.

If you're a first time camper...Welcome! I know you will enjoy your experience. If you have been with us before....Welcome Back! Let's have another great camp!

Each day will consist of fundamental stations, games and prizes. Hot Shot, Free Throw, 1-on-1, and other trophies will be awarded at the end of the week.

Building a basketball program that every one can be proud of continues to be our goal. Thank you for your support of Lowell Basketball. I look forward to seeing you this summer!

Sincerely,

*Jeff McDonald*
